

Classical Meets Jazz

Marian Liebowitz, clarinetist, has emerged as one of California's leading wind soloists since winning the U.S. State Dept./Kennedy Center 1997 Artistic Ambassador Competition. Her critically acclaimed tours to Latin America have taken her from Guatemala to Chile—including a special invitation as U.S. representative to El Salvador's Third Annual Peace Festival.

What people are saying...“ A brilliant performer,” “Marian Liebowitz dazzled the audience,” “...a delight to the ears.”
