

## Sourdough Slim

### 10 Gallon Fun!

Swingin' tunes! Cowboy crooning! Award winning yodeling! Laughs galore! Yes, folks, all this and more can be yours at the only show on the planet where you can witness a man in a ten gallon hat, yodel, play accordion, dance a jig and twirl a lariat—all at the same time.

Sagebrush artist, Sourdough Slim, transports us to a whimsical, infectious world where vaudevillian camp and cowboy lore intermingle. With a repertoire of classic western songs and an exuberant, animated, crowd pleasing delivery, Sourdough Slim has become one of the most popular cowboy entertainers of our time.
